Celebrating II Years of Transforming Lives On and Off the Court

THURSDAY, DECEMBER 4TH, 6:00 - 9:00 PM CROSSOVER MISSION CENTER FOR EXCELLENCE

Founded in 2014, Crossover Mission utilizes an evidence-based youth development model that combines group athletics, basketball training, and personalized academic and life-skills mentoring. We aim to nurture the holistic health intellectual, physical, mental and social - of youth aged 11-23 through our year-round programming. Our unique approach is designed to meet each student athlete's specific needs and interests. Crossover reaches our student athletes on the court and empowers them off the court, fostering discipline, teamwork, and resilience.

Our structured, long-term mentorship has proven effective in enhancing school attendance, graduation rates, and college enrollment, while also promoting healthier relationships, greater self-esteem, and reducing risky behaviors.

Your sponsorship will support this impactful work, helping us expand our reach and deepen our impact on students and their families while associating your brand with positive community transformation.

Our Mission: Crossover Mission helps the kids who need us most to become successful adults through a program of year-round basketball training and one-to-one academic mentoring.

Celebrating II Years of Transforming Lives On and Off the Court

The Crossover Mission annual gala draws influential community leaders and dedicated supporters, offering a premier sponsorship opportunity for meaningful visibility and engagement. Last year's event was spectacular, with an impressive 400 guests in attendance, and we promise an equally memorable evening on December 4th.
